## *Our Superintendent*

Once more the ATHENIAN makes its appearance to present in word and picture the pattern of high school life in Sherman High School for the 1943-1944 session. Once more the Editor and members of the Staff view the product of their handwork in the light of its reception by their fellow students.

I congratulate the student body and the faculty upon the way in which each has carried on in the face of disrupting forces of both an emotional and a physical nature. Of the anxieties you have individually experienced, I have not for a day been unmindful, and for your spirit of cooperation I have at all times been profoundly grateful.

I trust that, when peace shall have been restored, each of you may be able to say that you have made a definite and measurable contribution for the good of all.

Sincerely,

(Signed) R. L. Speer, Superintendent

## *Our Principal*

### **To the Students of Sherman High School:**

You are to be congratulated for your many accomplishments during the past year as students of Sherman High School. When I think of your contribution to your school and your community, I am proud to have had the privilege of working with you. Youth today is being criticized from many angles. No doubt you do have your problems, and doubtless **there is some room for criticism. When a careful analysis is made, however, I know that each generation of young people is better than the previous one. Help keep it so!**

Within a very short time, our Seniors of 1944 will be leaving Sherman High School. The entire faculty and I wish for you the very best in life. May you succeed in your every worthwhile ambition. Remember your school is behind you wherever your duties and responsibilities of life take you.

On October 8 the Bearcats traveled to Bonham to take on the Purple Warriors. The half time lead was 13-0 and the Cats continued the onslaught to drub the home team 40-0. The game featured the Cats second team, and it definitely made Sherman the dark horse of the district. Newbill and Joiner scored a pair of touchdowns each while Pelly and Kegans marked up one a piece.

Highland Park's powerful Scotties came to Sherman October 15 confident of an easy victory. The Scots started the game off with a bang, scoring on the third play of the game on a pass from Donlev to Lavne who lateraled to Collins. Collins ran the remaining yardage to pay dirt. But the Cats came back quickly, tying the game up with an off tackle smash by Riley. The Cats took a half time lead of 18-14, but the Scots, sparked by their all-state tailback, Bobby Layne, drove into Bearcat territory in the fourth quarter and scored to set the game on ice 21-18. This game marked the Bearcats for the state crown.

On October 29 the Cats went to Gainesville to engage the Gainesville Leopards. Stark gave the Bearcats a 7-0 lead early in the first quarter on a 10 yard punt return, but the over-confident Bearcats played in their own territory the rest of the first half. However, the Cats came back in the second half, displaying a powerful running attack and scoring two more touchdowns to beat the Leopards 20-0. The Cats, riddled by injuries and without the services of two all-district men had taken their second district game and made one more step toward the district championship

In their best game of the season the Bearcats mauled Paris 27-6 on November 12. The Cats played near flawless ball in every quarter to take their third district game and establish themselves as the favorites of the district. Newbill, Stark, Pelley, Riley, and Kegans ripped holes through the Paris line at will while Joiner and Thompson snagged many passes. Tucker played his best game of the season and established himself as one of the district's best tackles.

On November 25 the Bearcats took on their old rivals, the Denison Yellowjackets in the district's most important game. The jittery Cats spotted the Jackets 7 points in the first half but came back strong in the last half to completely overwhelm the Jackets though scoring only once. The game ended in a 7-7 tie giving the Bearcats their first district championship since 1939. It was a moral victory for the Cats because they had made 13 first downs to 5 for Denison, and also outgained the visitors 3 to 1 in yardage.

In the bi-district game in December—a group of injured but game Bearcats took on the Highland Park Scotties for the second time in the season. With a bad head injury on Captain Joe Joiner, broken ribs for fullback Bill Kegans, a broken arm on wingback Buddy Stark, and various other injuries among the team, the Bearcats fought gallantly. Again Layne was the difference between the teams. His running, passing, and punting were superb. The Scots took a first half lead of 6-0 and scored two touchdowns the second half. The Bearcats' lone score came in the fourth quarter when Riley carried a screen pass to the two-yard line and Joiner scored on a double reverse. The final score was 20-6 in favor of Highland Park.

Dearest Charles,  
As long as  
I've known you (which  
hasn't been very long) I have  
so enjoyed your very long  
friendship, but everyone  
your personality is certainly swell  
in not only my opinions, but everyone  
else's too. I think I've never enjoyed a year  
as much as this one with 5th period coming  
up every day. Gosh! you never really think about  
what a grand time you've had with someone until  
that somebody is leaving. I guess that's the way  
it is with me.

Hell — I know everyone wishes  
the best of luck, success, prosperity,  
happiness — that's what I'll  
wish for you — Always 'cause you're such a  
truly regular feller.

Please remember our  
lovely friendship. It has  
been  
fun hasn't it?  
Always remember  
with love,  
Satey

Dear Mr. J.,  
I have one of your  
oldest and best friends  
I hope you have the best  
of everything in life.  
But I wish  
Philip Morris  
dearest Charles, rather  
than 2 or 3 years! I have  
start over at that, I have  
had long also, I have  
don't forget, I have  
missed you, I want to  
of course I want to  
you all the luck, I also wish  
and happiness, I forget the  
you can't forget the  
Don't forget the  
many families
